When you are choosing child care for your child, there's a lot to consider. Staff from child care centers and family child care providers will be at Wonder Works Children's Museum to answer all your questions about their programs. There will also be an Early Childhood specialist on-site to answer questions and provide information about early childhood education. Child care programs will be based in Oak Park and River Forest. There is no cost to attend.

**Please bring this flyer with you for free admission to Wonder Works between 3-5 pm.**
